So you want, to be free
Live your life, the way you wanna be
Will you give, if we cry
Will we live yeah, or will we die, oh

Tainted hearts heal with time
Shoot bad love so we can
Stop the bleeding

Solitary brother (solitary brother),
Is there still a part of you that wants to live?
Solitary sister (solitary sister),
Is there still a part of you that wants to give?
Solitary brother (solitary brother),
Is there still a part of you that wants to live?
Solitary sister (solitary sister),
Is there still a part of you that wants to give?

If we try, to live your life
The way we wanna be

Yeah, yeah

Solitary brother (solitary brother),
Is there still a part of you that wants to live?
Solitary sister (solitary sister),
Is there still a part of you that wants to give?
Solitary brother (solitary brother),
Is there still a part of you that wants to live?
Solitary sister (solitary sister),
Is there still a part of you that wants to give?

Racism in future kings can only lead to no good
And besides, all our sons and daughters already know how that feels

Yeah, yeah, yeah
Love, love, love, yeah
