

Coconut Bay

Sugar Ray

Co-oh, oh-oh, oh-oh
Co-oh, oh-oh
Down in Coconut Bay

From the mountaintops down to the sunny streets
Singing songs of love and swaying to the beat
Raise a glass up high and toast the ones you meet
Then you know, yeah, you know it

Feels like a million miles away from here
All your troubles disappear (Hey!)

Down in co-oh, oh-oh, oh-oh
Co-oh, oh-oh
Down in Coconut Bay
Co-oh, oh-oh, oh-oh
Co-oh, oh-oh
Down in Coconut Bay

Swimming in the sea in perfect harmony
Never going back, just blowing in the breeze
You and I will stay up in the stream
And we know it, yeah, we know it

Feels like a million miles away from here
All your troubles disappear (Whoo!)

Down in co-oh, oh-oh, oh-oh
Co-oh, oh-oh
Down in Coconut Bay
Co-oh, oh-oh, oh-oh
Co-oh, oh-oh
Down in Coconut Bay

Down in Coconut Bay
Coconut Bay
Down in Coconut Bay
Coconut Bay

Alright now! Bong, bong
Come and get your love, come on, come and get your love
Come on, come and get your love with me
Come and get your love, come on, come and get your love
Come on, come and get your love with me (Whoo-hoo)
Come and get your love, come on, come and get your love
Come on, come and get your love with me (C'mon)
Come and get your love, come on, come and get your love
Come on, come and get your love with me (Aw now, look out)

Feels like a million miles away from here
All your troubles disappear (Whoo!)

Down in co-oh, oh-oh, oh-oh
Co-oh, oh-oh
Down in Coconut Bay
Co-oh, oh-oh, oh-oh
Co-oh, oh-oh
