

Highest Tree

Sugar Ray

I'm sitting on top of the world today
Feels like things are gonna go my way
'Cause it all comes down to who we are
And it all breaks down to who we love

I'm sitting in the highest tree
'Cause the view looks good to me
So let's sing a melody
'Cause this is the place to be
I'm sitting in the highest tree
'Cause the view looks good to me
And this is the place to be
So let's sing a melody

So hey-hey-hey (hey-hey-hey)
Alright (alright)
Hey-hey-hey (hey-hey-hey)
Alright (alright)

Riding up high on cloud 9 today
Looks like everything will fall into place
'Cause it all comes down to the life we live (oh yeah)
And it all breaks down to the love we give

I'm sitting in the highest tree
'Cause the view looks good to me
So let's sing a melody
'Cause this is the place to be
I'm sitting in the highest tree
'Cause the view looks good to me
And this is the place to be
So let's sing a melody

So hey-hey-hey (hey-hey-hey)
Alright (alright)
Hey-hey-hey (hey-hey-hey)
Alright (alright)

Do-do-do
Dodo-dodo-dodo
Do-do-do
Dodo-dodo-dodo

I'm sitting in the highest tree
'Cause the view looks good to me
So let's sing a melody
'Cause this is the place to be

I'm sitting in the highest tree
'Cause the view looks good to me
So let's sing a melody
(It's all I'm saying)
'Cause this is the place to be
I'm sitting in the highest tree
'Cause the view looks good to me
(It's all I'm saying)
And this is the place to be

(It's all I'm saying)
So let's sing a melody

I'm sitting in the highest tree (hey-hey-hey)
Alright (alright)
I'm sitting in the highest tree (hey-hey-hey)
Alright (alright)
I'm sitting in the highest tree (hey-hey-hey)
Alright (alright)
I'm sitting in the highest tree (hey-hey-hey)
Alright (alright)
I'm sitting in the highest tree
