

## Perfect Mornings

Sugar Ray

Sudden change without a warning  
Seein' double up ahead  
Hear the footsteps down the hallway  
Now there's four of us in bed, yeah

Sunny days and perfect mornings  
Under skies that are blue  
Sunny days and perfect mornings  
Make me always think of you

If you need me, I'll come runnin'  
If you need me, I'll be there  
Don't you ever doubt me, baby  
I'm the one who's always cared, yeah

Sunny days and perfect mornings  
Under skies that are blue  
Sunny days and perfect mornings  
Make me always think of you  
And everything we do

So if you see me comin'  
Look in my eyes  
You may not realize it  
You're makin' me cry  
After all of this time, oh-oh

Sudden change without a warning  
Seein' double up ahead  
Hear the footsteps down the hallway  
Now there's four of us in bed, yeah

Sunny days and perfect mornings  
Under skies that are blue  
Sunny days and perfect mornings  
Make me always think of you  
And everything we'll do  
And I'll always be here for you  
Here for you  
Here for you  
Here for you
