

## Psychedelic Bee

Sugar Ray

Drop me, a certain kind of thing  
That you've always wanted from me  
Gotta be a certain food  
Let's only give everybody  
Psychedelic bee  
And versus singing certainly in title  
In the sky  
That you wan't so bad  
You've got to cry  
You wan't, wan't, wan't more  
Give me, me, me more and more  
Till the end  
Try first, you wan't a certain type of crew in the sky  
That you wan't so bad~  
You've got to cry  
It'll be like you, ending in a bad dream  
Can't remember my friend will be  
Psychedelic bee  
Gonna cry, cry, cry  
Give me, me, me more
