

Anyone

Sugar

If cops and kings were geared with wings
They'd never learn to fly
They're too concerned with rules
That govern no one

I don't need blind politics
Or nimble flicks
Or Lucite telephones
That click when dialing, but I need you

Who would I want if I didn't want you?
Who would I love if you didn't care?
Who would I love if I didn't love you?
If I didn't love you I wouldn't love anyone

So say goodbye to politics
And nimble flicks
And Lucite telephones
That click when dialing, it's easy
