

Bed

suggi

You always fill my cup
You barely open up
You're the god's son
And my only one

I know you have it rough
I know you've had enough
So when you feel down
Don't go to bed

Dark figures in your mind
Hold my hand and we will find
You and your loving kind
So let me love, so let me love

Yeah I love
How special you are
So when you feel down
Don't go to bed

La la la la la la
La la la
So let me love, so let me love

Yeah I love
How special you are
So when you feel down
Don't go to bed
