cheer up

suggi

I've been lookin for lovers
All I got were the haters
I don't know how to be loved, oh no

Now I'm lookin' for haters
And I'm wishin' for lovers
Am I, doin' it right- I don't know, mm
But

I don't need nobody, don't need, don't need
Don't need a body, body
I don't need nobody, don't need, don't need
Don't need nobody
'Cause I can do it all

So this is the one for me
Head up you're doin't great
This is the one for me
I don't even recall if I took five, or two
I'm losin' common sense
This is the one for me
And that is the whole deal

Cheer up
Cheer up
Cheer up
And that is the whole deal

In my underwear dancin' (woop woop)
I'm like too busy vibin' (uh huh)
Nobody gonna see me, oh no (oh no)

Oh, I don't pay no phone bills
You can't call me whenever
All I need is my bunny, ah yeah

I don't need nobody, don't need, don't need
Don't need a body, body
I don't need nobody, don't need, don't need
Don't need nobody (Don't need nobody)
'Cause I can do it all

So this is the one (the one)
For me (for me)
Head up you're doin't great
This is the one (the one)
For me (for me)
I don't even recall if I took five, (fifteen)
Or two (or two)
I'm losin' common sense
This is the one for me
And that is the whole deal

Cheer up

If all the stars were aligned to tell me
That, I need to get on my feet

And be someone new
If am born again, I'll make sure it's while I'm
Still alive

So this is the one for me
Head up you're doin't great
This is the one for me
I don't even recall if I took five or two
I'm losin' common sense
This is the one, the bomb
And that is the whole deal

So this is the one (the one)
For me (for me)
Head up you're doin't great
This is the one (the one)
For me (for me)
I don't even recall if I took
Five (fifteen)
Or two (or two)
I'm losin' common sense
This is the one for me
And that is the whole deal

Cheer up
Cheer up
Cheer up
And that is the whole deal
Cheer up
Cheer up
Cheer up
And that is the whole deal
