I'm in the top notch feels of my feelings
I'm making millions and I'm not talking money
I'm so full of myself and I love it
Mm, never shook 'cause I know where I started, ay
Yeah, yeah

(Don't let them know how you feeling')
One, two, three
As easy as Do, Re, Mi
You got me saying "O, M, G."
Yeah
What else am I supposed to say? Oh

Talk like I make him feel warmer, Ay
And I could move like I make me feel better, (watch)
Goin' Bangkok, Seoul Tokyo
There's too many things I regret in my life, yeah

Tattoos of boys and ex- lovers, Ay
Shoulda saved some money from my hair colors
Oh, well I'm busy fuckin' round playing
There's too many things I regret in my life
(Uh oh, uh oh)

Top notch feels of my feelings
It took a damn long time for them healings
And if you don't like 'em go-go getters do better
Then yes, I'm a bad influence
Yeah, yeah
