suggi

Twenty and I'm finally lookin' twelve
Like how I really wanna
Yeah, I'm a time traveller

I know how to give an attitude
When I'm needin' that love
Yeah, a manipulator

Uh
It's suggi with a lower case "s," uh
And he shoots aesthetics out his ass (mm)
If you pause the pettin' I'ma bite ya, uh
But you don't have to be afraid of me

Me, me, me
We all got that side you wanna hide
I'm not what u think I am

If you wanna love me you're lovin' the wrong me, wrong me
Stars are only pretty from a far
(Hee)
Take the time and try to get to know me, know me
Fuck the boy that plays the guitar, oh

(Hee)
Na na na na na na na na na
I'm not what you think I am
(Hee)
Na na na na na na na na na
I'm fucked and I know I am

Always down to have a little fun
I'm never on the run, catch me by the sun
(Sun, sun, sun)
When I talk back, it's all sass
I don't give a damn if ya win
I'm always ready with ma swing

Uh
It's the gratitude I have for my ex-friends
For the bops, and for payin' up my rent (mm)
All the kisses I'ma hand it all right back
But you don't have to be afraid of me

Me, me, me
We all got that side you wanna hide
I'm not what u think I am

If you wanna love me you're lovin' the wrong me, wrong me
Stars are only pretty from a far
(Hee)
Take the time and try to get to know me, know me
Fuck the boy that plays the guitar, oh

(Hee)
Na na na na na na na na na
I'm not what you think I am

(Hee)
Na na na na na na na na na
I'm fucked and I know that I am
