

# WHITEBOXCAR

suggi

I want the white box car  
Pull up, pull up, meet me in the car (beep)  
We gon' jam, we gon' jam, like a pop star  
But saving 10k seems so far (im broke!)  
Little too far

Got my swear jar  
Buy my shit shit shit with a gift card  
We gon' jam, in the bar once a july  
Sooner, later, I'ma be there in no time  
There in no time

If I had a car, I would drive all day  
I would be good getting lost in woods  
I would be known through the neighbourhood  
If I had a car  
If I had a car

I don't need a fast, new car  
I ain't goin' far  
I'ma be right here, when you need me I'm down down down  
So when we're stressed we can always always drive off  
When we're stressed we can always always drive off

Vroom, vroom, vroom  
Vroom, vroom, vroom  
Vroom, vroom, vroom  
Let me cool the fuck off

Vroom, vroom, vroom  
Vroom, vroom, vroom  
Vroom, vroom, vroom  
Let me cool the fuck off

I'm tryna go for a drive  
And if I see a hater im'a run em over, mm yeah  
Only way to make it make sense  
But only if I get my license

I'll get a radio inside (ok!)  
Have someone over on the side (ok!)  
I'm gonna make it pop and put on things (ok!)  
I know won't be hard to decide (ok!)

If I had a car, I would drive all day  
I would be good getting lost in woods  
I would be annoying through the neighbourhood  
If I had a car  
If I had a car

I don't need a fast, new car  
I ain't goin' far  
I'ma be right here, when you need me I'm down down down  
So when we're stressed we can always always drive off  
When we're stressed we can always always drive off

Vroom, vroom, vroom

Vroom, vroom, vroom  
Vroom, vroom, vroom  
Let me cool the fuck off

Vroom, vroom, vroom  
Vroom, vroom, vroom  
Vroom, vroom, vroom  
Let me cool the fuck off

Vroom, vroom, vroom  
Vroom, vroom, vroom  
Vroom, vroom, vroom  
Let me cool the fuck off

Vroom, vroom, vroom  
Vroom, vroom, vroom  
Vroom, vroom, vroom  
Let me cool the fuck off
