Suicidal Tendencies

Fubar, who are you? I used to know someone who looked like you
Fubar, what's wrong with you? You cause so many people to suffer for you

F.u.b.a.r. fubar

Fubar you're doing time the way you treat yourself is such a crime

Fubar you're outta luck what were you thinking about, you stupid f*ck?

F.u.b.a.r. fubar

Fubar now there's no doubt you turned into what you were warned about

Fubar you could have been something real special will it ever end?

Fubar now it's too late you cursed yourself to a dreadful fate

Fubar rest in peace I wonder which one of us died the least
