

## Sorry?!

### Suicidal Tendencies

Seems like such a long time ago, but I don't know if I'm ever gonna let  
Her go. I remember the first time that I met her, I knew she was the  
One. There couldn't be anybody better.  
Well, I was lost when I looked in her eyes  
Well those eyes, those eyes, they made me realize...  
Sorry...I didn't know what was to be  
Sorry...I could not see  
Sorry...Lord how could this be  
Sorry...It's raining down on me  
Well, I know it sounds crazy to say. But, in everything I do, I think  
About that day. Last time I talked to her was on the telephone.  
She  
Said I know it's been a while, but I don't feel like being alone. I  
Slammed down the phone on the last thing I'd hear her say. Now it's  
Getting harder to live with it every day and I pray, I pray that you  
Can hear me say  
Sorry...I could not see  
Sorry...It don't seem fair to me  
Sorry...Lord, how could this be  
Sorry...It's raining right down on me  
Not a day goes by when I do not sit and wonder why this had to be. It  
Don't seem fair to me. No no, it don't seem fair to me. The more I wish  
And pray, the more it seems I waste away. But it would mean oh so much  
If I could just reach out and our hands would touch and if I'd just  
Go back again and do it all over it'd have a happy end.  
I know exactly the way I would start. I'd send her a letter straight from  
My heart. It doesn't seem fair, why can't I forgive. She was so strung out,  
She didn't even have a chance to live and it's oh so hard to forgive.  
Sometimes people think I don't know what to say because I'm looking  
Out in space, but inside I'm praying and I pray, I pray, I pray, I pray,  
Pray and then I think about the day she died. About that night and  
In the morning. I cry cry cry and I try, I try to understand

Sorry...I didn't know what was to be  
Sorry...It don't seem fair to me  
Sorry...Lord I'll always be  
Sorry...She died but it's killing me  
Wondering about that time when it'll be my day  
And I wonder what I'll do and what she'll say and if I'll have  
the  
Courage to stay  
And I'll start by looking her straight  
In the eye and telling her that I'm Sorry
