

## Start Your Brain

## Suicidal Tendencies

Start your brain, I'm thinking man!  
Start your brain, start your brain,  
Start your brain, rev it up and ride  
Start your brain, you got to start your brain  
Start your brain, rev it up and go  
Learn the things that you don't wanna know  
Do the things that you don't wanna do  
It will tell a lot about you

Start your brain, rev it up and ride  
Start your brain, rev it up and ride  
Start your brain, rev it up and ride  
Start your brain, rev it up and ride

Start your brain, rev it up and ride  
It's been way too long since you have tried  
Take your attitude and give it a rest  
And anything you do give it your best

Start your brain, rev it up and go  
There's so many things that you don't know  
Don't waste your time trying to impress  
And spend that time cleaning up that mess  
Start your brain, rev it up and ride  
Start your brain, rev it up and ride  
Start your brain, rev it up and ride  
Start your brain, rev it up and ride

Start your brain, you got to start your brain  
Start your brain, rev it up and ride  
Figure out who are deep inside  
Take your attitude and give it a rest  
And anything you do give it your best so  
Start your brain, rev it up and ride  
Figure out who are deep inside  
Don't waste your time trying to impress  
And spend that time cleaning up that mess  
Start your brain, start your brain  
Start your brain and ride
