

## Attention Whore

## Suicide Commando

(Attention whore)

We're all bitches  
We're all whores  
We crave attention  
Like some wannabe stars  
We're all posers  
We're all Gods  
Pretend we're perfect  
Like some fucking attention whore

(Attention whore)

Some fake  
Some fuck  
Bend down and suck  
Some pose  
Come close  
Slut overdose  
Some crave  
Some cry  
Shut up and die  
Some smile  
Some lie  
Fuck off and die
