

## Chasm of Emptiness

### Suicide Commando

When darkness is falling  
When death lurks nearby  
Why have you forsaken me  
Why God let me die  
Your death throes  
"Your death throes"  
The plague of death  
Will haunt you for hours  
Your death throes  
"Your death throes"  
The plague of death  
Torment you for hours

[Chorus]  
Chasm of hours  
"Chasm of hours"  
...of emptiness  
"...of emptiness"  
Chasm...  
"Chasm..."  
...of agony and pain  
Chasm...

"Chasm..."  
...of emptiness  
"...of emptiness"  
Chasm...  
"Chasm..."  
...of agony and pain

When darkness is falling  
When death lurks nearby  
Why have you forsaken me  
Why God let us die  
Your death throes  
"Your death throes"  
The plague of death  
Will haunt you for hours  
Your death throes  
"Your death throes"  
The plague of death  
Torment you for hours

[Chorus]
