

## Crack Up

## Suicide Commando

Deep trauma  
Cast away  
Into the shadow  
Into decay

Deep coma  
Fading away  
Into deep water  
Into decay

[Chorus]  
Into nothing  
Into decay  
Return to dust  
Life is fading away  
Into nothing  
Into decay  
Into nothing

Return to dust  
Life is fading away  
Into nothing  
Into decay
