

## Save Me

## Suicide Commando

I want to know  
If she's worth  
For me to live  
On this world  
I want to know  
I want to go  
And say goodbye  
I want to die  
Don't want to live  
Don't want to live  
Don't want to live  
Don't want to live  
I want to go  
I want to die  
I want to go  
I want to die  
Die  
Die  
Save me
