

## The Pleasures Of Sin

Suicide Commando

Don't stain my soul  
Don't lead me into temptation  
Don't curse my soul  
Don't lead me into perversion

The pleasures of sin will hunt you  
The pleasures of fornication  
The pleasures of sin will hunt you  
The pleasures of penetration

God save my soul  
Don't lead me into temptation  
God cleanse my soul  
Don't lead me into perversion

The pleasures of sin will hunt you  
The pleasures of fornication  
The pleasures of sin will hunt you  
The pleasures of penetration  
The pleasures of sin will hunt you  
The pleasures of domination  
The pleasures of sin will hunt you  
the pleasures of slave submission
