

Until We Die

Suicide Commando

Why does the sun always change into rain?
Why does the death always cross our way?
Why did my father just pass away?

WHY!?
Tell me WHY!? Do you cry?
WHY!?
Tell me WHY!? Do you cry?

Why does the hurt always finds a way?
Why does the grief always comes our away?
Why doesn't God take our pain away?
Why is what we're loving not here to stay?
Why do we have to take all this pain?
Why does the sun always change into rain?
Why does the death always cross our way?
Why did my father just pass away?

WHY!?
Tell me WHY!? Do you cry?
WHY!?
Tell me WHY!? Do you cry?

Why does the storm always heads our way?
Why does the winter darkens our day?
Why do you leave if I want you to stay?
Why do we lose at the end of the day?
Why do we have to take all this pain?
Why does the sun always change into rain?
Why does the death always cross our way?
Why did my father just pass away?

WHY!?
Tell me WHY!? Do you cry?
WHY!?
Tell me WHY!? Do you cry?
