

# Misery Train

**Suicide**

Train, train  
Train, train  
Misery train  
Misery train  
Destiny's train  
Destiny's train  
Freight train  
Freight train  
Sulfur sky, sulfur sky  
I buried my brother today  
Today, today  
Forever  
Today

Rain rain, rain rain  
Rain rain, rain rain  
Rain rain  
Homes, homes  
Pyro domes, pyro domes  
I'm burying my brother today  
Today, today, today  
Forever today

Wonderful screams  
It's time, it's time, it's time  
Rain rain, damn rain  
Damn train, freight train  
Gray sky, rain, rain  
Damn rain, that cannibal sky  
Buries brother, buries brother  
Fly, fly  
Fly, fly  
Enjoy your destiny  
Your destiny

Train, train  
Train, train  
Train, train
