

Rocket USA

Suicide

Rocket, Rocket USA
Shoot on down the highway
TV star ridin' around
Ridin' around in a killer's car

It's nineteen hundred seventy-seven
Whole country's doin' a fix
It's doomsday, doomsday

Ridin' around, ridin' high
Ridin' around with my babe
Ridin' around in my Chevy 69
Speeding through on the skyway
Speeding through on the skyway

Rocket, Rocket USA
Shooting on down, on my way
TV star ridin' around
Ridin' around in a killer's car

It's doomsday, doomsday
Speeding through on the skyway
Hundred miles per hour
Gonna crash
Gonna die
And I don't care

Rocket, Rocket USA
Speeding through on the skyway
Speeding through on the skyway
