

Surrender

Suicide

When you take me
Or when you may
(I'll find for you) I'll fall for you

Time is a good muse
Of never knowing
About you (About you)

I surrender
I surrender
To you

(I surrender)
I surrender
I surrender
To you

Love isn't easy (Easy)
Easy to find (Easy)
I'll stay for you (Easy for you)

I'm trying hard, baby (Baby)
Too tired to fight (Baby)
(For you) For you

I surrender (Surrender)
I surrender (Surrender)
To you (Ooh)

(I surrender)
I surrender
I surrender
To you

(Forever)
(Ooh)
(Forever)
(To you)

My heart is a prison
The whole in this
Come close to me

(I surrender)
I surrender
I surrender (Surrender)
To you (Ooh)

(I surrender)
I surrender
I surrender (Surrender)
To you (Ooh)

I surrender
I surrender (Surrender)
To you (Ooh)

(I surrender)
I surrender
I surrender (Surrender)
To you (Ooh)
