

Televised Executions

Suicide

Hey
Yeah
Hush
They don't know
The streets
Hey
They don't know
Gravity
Uh
Say
They don't know
Streets
Oh
Only in their eyes
Assure
You know
The power
Wait
They die
You know
The creature
Yeah yeah
Hey hey
You don't wanna know
The shadows
Hey
You know
You are them
No more
Yeah!
Aha aha
Aha
There's no chance
To forbid
The new day
New day
The new day
They can go last
They go last

There's nothing
In town
Oh...
Televised
Executions
Executions
Yeah yeah
Aha

They don't matter
They don't matter now
Ah...
Idolize
Their lives
You
Can't escape
You're dead

And then
You're safe
Slow eyes
Testify

There's a junker up
There's a junker on
To the televised
Executions
Televised
Oh...
Executions
