

## And To Those I Love, Thanks For Sticking Around

\$uicideboy\$

Take me home  
Take me home  
It's the one place I can rest in peace  
Turn off my phone  
So many messages I wish I could just delete  
Questioning my existence  
Questioning my decisions  
Burning down all the bridges  
Dig a moat  
Now I'm finished  
Sorry don't want you to visit, no  
One last pic and I'll be gone  
Make it count  
Put the flash on  
Never really felt like I belonged  
So I'll be on my way  
And I won't be long  
I'll be dead by dawn  
I'll be dead by dawn  
I'll be dead by dawn  
I'll be dead by dawn

Scrolling through my texts  
Shit I left unread  
Never trying to deal with it  
There's bliss up in my ignorance  
10 dope dealers  
Ex want me to see her  
Can't trust her  
Don't believe her  
Reply turn into a needle  
Don't wanna do it again  
Got shit I'm not trying to relive  
Head fucked up and I'm sick  
These old habits will kill me quick  
Quicker than I can blink  
Quicker than I can think  
Lift me up  
Don't want to sink  
Pour me up  
I need a drink  
What the fuck do I do when sabotage is all I know?  
I done dug myself my own grave in this hole  
Kill me slow, slow  
Curtains close low  
Fuck  
I don't see what's the point of going on  
No
