

## Second Coming

\$uicideboy\$

Interrupt a motherfucking shark attack like bitch what?  
Hold up  
Three's you better throw up  
At least a middle finger save the vomit for the close up  
Post up on a cross  
Fuck Slick Sloth  
Bitch I'm the Messiah  
Yung Christ is just the prior  
Throw him in the dirt and raise him in the motherfucking fire

Called up Ruby the Sloth  
Told him bring the Chevy  
Little does he know I got a grave dug in a levy  
Glock cocked and it's ready  
Told him slide up out the whip

Ruby does not exist

Bitch I'm Oddy Nuff  
Gripping the shotty pump  
Tip to the cops where the body's dumped  
I want these motherfuckers to know what Oddy does  
Sloppy puffs of the blunts  
I'm too fucked up to fuck up a cunt  
Try and copy us fuck boy  
\$uicide  
I done shot me up

Bitch I'm Slickity Sloth the fucking menace  
Yung Christ diminished  
Sinners that don't say no penance  
\*59 the premise  
The resurrection of the leopard out the pet cemetery
