Blanket protection, sweating
Heaven left me on the steps and now I can't stop stressing
Who is Ruby Da Cherry? Let the internet keep guessing
That's always the fucking lesson
The less you have, the more you getting
\$UICIDE, G*59, I'm guessing all the blogs slept in
Back then, they didn't want me, now I'm hot, hoes all on me
Back then, straight from the swamp, we climbed up out, no moss on me
I'm clean as fuck but keep it dirty like I'm from the dirty
Riding dirty in a dirty ride, might stay alive until I'm 30

Shot cop, got popped

Drop top, house shot
Fuck the cops, fuck you, and motherfuck the population
All these goof motherfuckers just some fucking imitations
Smoke me a mother fucking L to the head
Grey fucking 5-9, hoe, you know what I rep
Sleep walk with the dead, put a slug in your head
We them south shore playas that don't fuck with pretend
