

## Hands Are for Helping

Suis La Lune

You should speak up,  
Stop speaking to yourself. To yourself.  
Should you really  
Let him do all the talking for you?  
You should tell him  
Just what you think is right and wrong.  
Should he really  
Decide on what you think? About everything?

I don't think that this is all good for you  
I want to help. So let me help.  
I don't think that he is that good to you  
I want to help. So let me help.

Why don't you believe me  
When i tell you "it's gonna be all right"?  
Can you really tell what's implied?  
Please don't make me say it.  
Why don't you believe me  
When i tell you "it's gonna be all right"?  
Can you really tell what's implied?  
Please don't make me say it.

I don't think that this is all good to you  
I want to help. So let me help  
I don't think that he is that good to you  
I want to help, so let me in.
