She said she want my loving, why you fronting, I'ma let her dro
wn
I came here with nothing but a dream, bitch I can't let her dow
n
You came here with pockets full of nothing you will make it out

She said she a stoner for it I call her the forbidden girl
She said I don't lover her, but I told her I'ma bend her down
Trust me like a soldier on your shoulder I'm the angel now
I've been looking for you, paranoia, something's feeling foul

Give me what you wanted and I'll give you what you dream about
She said she can't have it, bitch imagine what I'm feeling now
I feel all the pressure coming to me I can't hold it down
I feel all your tension coming to me better grip it now

I don't got the time, I got no money best believe I'm down
You don't got no bitter towards me, guess I'll have to beat it
now
You've been cutting through me but believe that you can't cut m
e now
You don't even know me, you know nothing bout what I'm about

I've been on my shit for now a minute but I got it down
You've been on your shit for bout a minute but you got no style
s
They call me young killer, bitch I killer her, she ain't going
down
I can put in everything and I'll still stand my fucking ground
