

I hate you

suisside

I've been lyin', cryin'
'Cause I hate denying I hate you, yes, you
Now the room is quiet and the night is silent
This ain't you, yes, you

You mean nothing, I hate you
You mean nothing, I hate you
May your flowers never bloom
You mean nothing, I hate you

Forever's not enough
Forever's not enough
Forever's not enough
Forever's not enough
For us
Forever's not enough
Forever's not enough
Forever's not enough
Forever's not enough
For us, us
Forever's not enough
Forever's not enough
Forever's not enough
Forever's not enough
For us

I've been lyin', cryin'
'Cause I hate denying I hate you, yes, you
Now the room is quiet and the night is silent
This ain't you, yes, you

Ahh, yeah
Ahh, yeah
Ahh, yeah

In you we trust, I don't, don't
In you we trust, I don't, don't
In you we trust, I don't, don't
In you we trust, I don't, don't
Ahh, yeah
Ahh, yeah
Ahh, yeah
Ahh, yeah
