I'ma put the sword alright  
Fuck that bitch, I'm a schemer like

It's a harsh cold winter, pull up with no ride  
I'm a fucking no winner, I'ma loosen up my heart  
Got the cold blade, see it from the corner of my eyes  
On my last breath evil when (killer)

When you cutting through my liver  
I don't know the price  
But I'm paying what you wish for  
I'ma sing until it's time that I meet the grim reaper  
I'ma sing until my life is the last thing keeping me (keeping me)
