

# Looking For You

suisside

I keep it to myself I don't talk  
If they ask what I know  
I'ma tell them I don't know  
I'm down to do whatever you want  
Pop a tab while we're drunk  
And I don't know what I'm on

And I know it's haunting you  
But it's also haunting me  
And I know that that's the truth  
But truth keeps cuttin' deep

I ended in her bed all alone  
I've been seeing this ghost  
And it follows were I go  
We make friends and we dance by the shore  
Switching colors and worlds  
But I still felt safe at home

While you're out looking for me  
I'm out looking for you  
I'm out looking for you
