suicide

Stare at the sun with a face saying shits not right I'ma die to
night (I'ma die tonight)
I got different hoes on the way I got so much white, got your b
itch alright (got your bitch alright)
I got all my own, I'ma phase
I feel strange inside, take the pills I'm fine (pills I'm fine)
Can't see out my eyes, feel my face, babygirl you fine, I'ma hi
t one time (I'ma hit one time)

She acting all bad and then saying she won't text me back, she
won't say shit back (she won't say shit back)
She playing them games with my head, baby try this time it won'
t work this time (it won't work this time)
But you're part of the phase, runaway start a brand new life wh
ile you smile so bright
Bring me down in my bed if you care baby I'm not fine I'ma take
my life (I'ma take my life)

I know I don't mean much to you, I can be a fool to you, but yo
u can't deny you're mine (you're mine)
You can talk behind my back, you can stab me in back, yeah it n
ever gonna change the fact, ay
