

## Never Was

suisside

I'm so alone (I'm so alone)  
I wish I could see your face and say (See your face and say)  
I'm not here (I'm not here)  
Never was (Never was)  
The California sun (California sun)  
Them California girls (California girls)  
They're not here (They're not here)  
Never was (Never was)

When you called (When you called)  
Me that night (That night)  
And you told (You told)  
Me you're mine (You're mine)  
This time you're on your way  
How much more can one wait

I had a lucid dream (Had a lucid dream)  
I hold those memories (Hold those memories)  
I saw again your timid skin  
My eyes were too caught up

I'm so alone (I'm so alone)  
I wish I could see your face and say (See your face and say)  
I'm not here (I'm not here)  
Never was (Never was)  
The California sun (California sun)  
Them California girls (California girls)  
They're not here (They're not here)  
Never was (Never was)
