

# Patterns Make Faces

suisside

I'll wait, for life  
For us to entwine  
I hope I see you there

I'll wait, for life  
For us to entwine  
I hope I see you there

Till it gets much worse

Patterns form and make up faces  
Patterns form and make up faces  
Patterns form and make up faces  
Patterns form to make a face

I'll wait, for life  
For us to entwine  
I hope I see you there

I'll wait, for life  
For us to entwine  
I hope I see you there

Till it gets much worse

Wait up, I'm dying only trying to get home  
Wait up, I'm dying only trying to get home

Like diamonds in the night sky  
We align, goodnight  
Don't expect for me to know

Patterns form and make up faces  
Patterns form and make up faces  
Patterns form and make up faces  
Patterns form to make a face

Wait up, I'm dying only trying to get home  
Wait up, I'm dying only trying to get home

Like diamonds in the night sky  
We align, goodnight  
Don't expect for me to know

I don't know  
I don't know  
I don't know
