

Say My Name

suisside

And I never grew the guts to say how I feel (To say how I feel)
Take it all just take it all where did you learn to steal? (You
learn to steal)
I come in peace, I have a gun, I caught a thrill
Say my name

Oh, hi again my only friend I've come to you instead of them
To ask you why I feel this way, why I'm so strange I feel no pa
in?
Why am I gay? Why am I straight? Why am I forced to love this l
ife?
Am I awake? Am I in bed? I might've played dead for some time!
(Yeah)

I'm taking the long way home (Taking the long way home)
I'm taking the long way home (Taking the long way home)
I'm taking the long way home (Taking the long way home)
I'm taking the long way home (Taking the long way home)
I'm taking the long way home (Taking the long way home)
I'm taking the long way home

And I never grew the guts to say how I feel (To say how I feel)
Take it all just take it all where did you learn to steal? (You
learn to steal)
I come in peace, I have a gun, I caught a thrill
