

Every Day's A Lesson In Humility

Suki Waterhouse

Every day's a lesson in futility
Got to take the dogs out
Every day's a lesson in humility
Got to eat my own words

But then you come into my life
Come into my life
Come into my life
Come into my life
And then you leave

I don't understand, I am afraid of me
No one gave me boundaries, they always said that I was free
I just need someone to get a hold of me
Tell me where I'm going wrong, tell me I'm the special one

So I should come into your life?
Come into your life
Come into your life
Stay a little while
Stay a little while with me

Learn a useful lesson
Before I fly

All my love letters sound like T. Rex songs
'To my dear old self, I'll ride a white white swan'
All my love letter's sound like T. Rex songs
'To my dear old self, I'll ride a white white swan'

Dirty little rendezvous we're playing with fire
With everybody watching, everybody looking
Everything is great because it's time to fly
I'll leave you in a bad place, makeup all over your face

Welcome to my life
Welcome to my life
Welcome to my life
Welcome to my fight
And fail another day
And fail another day

Welcome to my life
Welcome to my life
Welcome to my life
Welcome to my fight
And fail another day
And fail another day
And fail another day
