

## Astronaut

Sum 41

When I grow up  
Don't be a doctor  
A lawyer or a cop  
All I want to be  
Is an Astronaut  
Why can't you see?  
It's the only thing I wanna be  
Suit and tie is not for me  
It's my destiny to be (to be)  
An astronaut  
Astronaut, I wanna be an astronaut  
An astronaut, I wanna be an astronaut  
Astronaut, I wanna be an astronaut  
An astronaut  
Why can't you understand?  
I wanna take command  
Of a space ship  
Mom and Dad  
You gave me everything you never had  
But all I want to be  
My life-long dream  
All I want to be is an  
Astronaut, I wanna be an astronaut  
An astronaut, I wanna be an astronaut  
Astronaut, I wanna be an astronaut  
An astronaut, I wanna be an astronaut  
Astronaut, I wanna be an astronaut  
An astronaut, I wanna be an astronaut  
Astronaut, I wanna be an astronaut  
An astronaut, I wanna be an astronaut
