

## Bad Mistake

Sum 41

I'm only saying this 'cause I don't give a damn  
Got it so hard when you're around  
It seems to me that you could never understand  
We're always on uneven ground  
And now it's

It's come to this  
And I don't think we'll make it through

We're just a bad mistake  
From a simple twist of fate  
And maybe we should give in to defeat  
Oh, it's the price we pay  
From the choices that we make  
I wish it didn't have to be so steep  
But now you know, know  
That I just wanna go, go  
Yeah. I just wanna

Sometimes I wonder maybe I just need to learn  
Sometimes it's hard to walk away  
And yeah it's true that lately I can be a jerk  
I've got no time for masquerades  
'Cause now it's

It's come to this  
And I don't think we'll make it through

We're just a bad mistake  
From a simple twist of fate  
And maybe we should give in to defeat  
Oh, it's the price we pay  
From the choices that we make  
I wish it didn't have to be so steep  
But now you know, know  
That I just wanna go, go  
Yeah. I just wanna know, know  
That I just wanna go, go  
Yeah. I just wanna

It's come to this  
And I don't think we'll make it through  
You always said that I jump ship  
I guess it's true, I gotta get away from you

We're just a bad mistake  
From a simple twist of fate  
And maybe we should give in to defeat  
Oh, it's the price we pay  
From the choices that we make  
I wish it didn't have to be so steep  
But now you know, know  
That I just wanna go, go  
Yeah. I just wanna know, know  
That I just wanna go, go  
Yeah. I just wanna
