

Holy Images of Lies

Sum 41

I don't believe
I think I'm falling asleep
Is this beginning or ending?
And I stuck in a dream
I don't want to know what I think I suppose

Out of the light and into this timely of demise
And there's a cross on the hill - The Holy Image of Lies
I've opened my mind but this dream is still real

You don't need to worry
I'm just fine
I've just lost my mind

Yeah!

Tell me its over
Cause I don't feel
A thing at all
No conscience no more
Senses all have disappeared
Am I alive tonight?
Paranoid am I to run am
Am I alive tonight?
Crash and fall suicide with me

Look in my eyes
Tell me "I'm alright."
I don't know if I'm still alive
If this is goodbye
'Forever's' just a lie
Big enough to make you wanna try

In just one life
How can we
Live enough to rest in peace

In just one life
How can we
Live enough to rest in peace
Now

Oh oh oh oh

Here as I stand
Head in hand
And one hand on my heart
As I depart its not so hard
One day to become a man
You had your scars
but I never thought that you would give me mine
