

We're faster, we're falling
We're stopping and stalling
We're running in circles again
Just as thing were looking up you said it wasnt good enough
But still we're trying one more time

Maybe we're just trying to hard, when really its closer than it is to
o far

'Cause i'm in too deep, and i'm trying to keep
Up above, in my head
instead of going under
'Cause i'm in too deep, and i'm trying to keep
Up above, in my head
instead of going under
instead of going under

Seams like each time it meet you i lose my mind,
because i'm bending over backwards to be late
Its one thing to complain but when your driving me insane
Well then i think its time that we took a break

Mabey we're just trying to hard, when really its closer than it is to
o far

'Cause i'm in too deep, and i'm trying to keep
Up above, in my head
instead of going under
'Cause i'm in too deep, and i'm trying to keep
Up above, in my head
instead of going under(x3)

I cant sit back and wonder why, it took so long for this to die
And i hate, when you fake it
You cant hide it you might as well embrace it
So believe me, its not easy
It seems that somethings telling me...

'Cause i'm in too deep, and i'm trying to keep
Up above, in my head
instead of going under
'Cause i'm in too deep, and i'm trying to keep
Up above, in my head
instead of going under
instead of going under again
instead of going under
instead of going under again
instead of going under again
again, again
