

The Hell Song

Sum 41

Gismi E

Everybody's got their problems

H Fis

Everybody says the same things to you

It's just a matter how you solve them

And knowing how to change the things you've been through

I feel I've come to realize

How fast life can be compromised

Step back to see what's going on

I can't beleive this happened to you

This happened to you

It's just a problem that I'm faced with am I

Not the only one who hates to stand by

Complications that are first in this line

With all these pictures running through my mind

Knowing endless consequences

I feel so useless in this

Get back Step back

And as for me, I can't believe

Gismi Fis Gismi E

Part of me, won't agree

H Fis

Cause I don't know if this for sure

Gismi Fis Gismi E

Suddenly, suddenly

H Fis

I don't feel so insecure

Part of me, won't agree

Cause I don't know if this for sure

Suddenly, suddenly

I don't feel so insecure

Anymore

Everybody's got their problems

Everybody says the same things to you

It's just a matter how you solve them

But what else are we supposed to do

Part of me, won't agree

Cause I don't know if this for sure

Suddenly, suddenly

I don't feel so insecure

Part of me, won't agree

Cause I don't know if this for sure

Suddenly, suddenly

I don't feel so insecure

Anymore

Why do things that matter the most

Never end up being our choice

Now that I find no way so bad
I don't think I knew what I had

Why do things that matter the most
Never end up being our choice
Now that I find no way so bad
I don't think I knew what I had
