1. I don't want this moment, to ever end,
Where everything's nothing, without You.

Cause it's true, I am nothing without You.

Through it all, I've made my mistakes.

2. Thoughts read, unspoken, forever in vow.
And pieces of memories fall to the ground.
I know what I didn't have, so I won't let this go.
Cause it's true, I am nothing without You.

All the streets, where I walked alone,
With nowhere to go.
Have come to an end.

R: I want you to know...
