

Barefoot in the Park

Summer Camp

I wanna meet a matinee idol
Lie on the beach with them
I wanna meet a rogue on a motorcycle
Fight in the street with them

Head over heels, head over heels, I want movie love

I wanna kiss in a rainstorm
On a London street
I wanna stay up all night long in Rome
With a man I just met

Head over heels, head over heels, I want movie love
Head over heels, head over heels, I want movie love

I don't care if it's not real I just can't help the way I feel
I don't care if it's not real I just can't help the way I feel
I want movie love
Give me that movie love

I wanna get married in a big white dress

As the credits roll, the credits roll
What happens next, well I don't know
Cause the credits roll, the credits roll

Head over heels, head over heels, I want movie love
Head over heels, head over heels, give me that movie love
I need that movie love

I don't care if it's not real, I just can't help the way I feel
I don't care if it's not real, I just can't help the way I feel
(I don't care if it's not real I just can't help the way I feel
)
Give me that movie love
(I don't care if it's not real I just can't help the way I feel
)
Give me that movie love
