

Of all the stupid things I've said which are like countless?  
I've never wanted to take something back more than that one. \*

I don't wanna be your friend  
You got a plenty of them  
I don't wanna take you out  
And then share a bond  
I don't wanna play your game

I don't wanna meet your folks  
They like other got most  
I don't care about your greed  
I'll rip you out of the scenes  
I don't have time for your hope

And if you wanna have me, that's fine  
If you say you love me, you're mine  
Baby if you need me all the time  
I'll stick around  
I'll stick around

It's alright, it's alright...

You don't wanna waste your time  
To pick me out of your mind  
You say I make who did gun  
We could at least have fun  
You don't wanna a burning house

And if you wanna have me, that's fine  
If you say you love me, you're mine  
Baby if you need me all the time  
I'll stick around  
I'll stick around

And if you wanna have me, that's fine  
If you say you love me, you're mine  
Baby you can need me all the time  
I'll stick around  
I'll stick around

It's alright, it's alrigh...

And if you wanna have me, that's fine  
If you say you love me, you're mine  
Baby if you need me all the time  
I'll stick around  
I'll stick around

And if you wanna have me, that's fine  
If you say you love me, you're mine  
Baby you can need me all the time  
I'll stick around  
I'll stick around
