

# Love of My Life

## Summer Camp

I still remember when you called my name  
These feelings I had when you felt the same  
I still remember there was light in my day  
I fell into love now it all falls away

If you are the love of my life  
How can I breathe, how can I?  
How can I live, how can I?  
How can I go on without you?  
If you are the love of my life  
How do I dream, how do I?  
How do I plan, how do I?  
How do I laugh without you?

I always wondered how it could have been  
If those days that we spent weren't just memories  
I always wondered if there was more to say  
I had it so good but I let it slip away

If you are the love of my life  
(If you are the love of my life)  
How can I breathe, how can I?  
How can I live, how can I?  
How can I go on without you?  
If you are the love of my life  
How do I dream, how do I?  
How do I plan, how do I?  
How do I laugh without you?

I knew deep down I'd only get one shot

Our story only ever had one plot  
You'd better learn to treasure what you got  
Take it, take it from me  
Take it, take it from me  
It goes away and it was never enough  
Get so used to it and then then it stops  
So lock your heart away in a little box  
Take it, take it from me  
Take it, take it from me

How can I breathe, how can I?  
How can I live, how can I?  
How can I go on without you?  
How do I dream, how do I?  
How do I plan, how do I?  
How do I laugh without you?

If you are the love of my life  
If you are the love of my life  
If you are the love of my life  
If you are the love of my life

(How can I breathe, how can I?)  
(How can I live, how can I?)  
(How can I go on without you?)  
(How can I breathe, how can I?)

(How can I live, how can I?)  
(How can I go on without you?)

How do I laugh without you?
