

Baila Baila Así
Mueve su cuerpo cerca a me
Y si por solo un beso amor
Decirte adios me traería mucho dolor

Wherever I go
I see you my love
Wherever I go
I'm back to where we've gone
Things may never be the same
But maybe in a few more days of rain
Baila baila
Back to me my love
Baila baila

Baila Baila Así
Mueve su cuerpo cerca a me
Y si por solo un beso amor
Decirte adios me traería mucho dolor

Wherever I go
I hear you my love
Whatever I've done
To push you so far from
The tenderness I take the blame
But maybe in the past few years we've changed
Baila baila
Back to me my love
Baila baila
Back to me my love

Things may never be the same
Maybe in a few more days of rain
Baila baila
Back to me my love
