

Round N Round

Summer Salt

Round and round, the air goes far
But I don't mind riding backwards
In my backwards car
Oh oh way oh
2 million years
The song is new
But I can't keep up any longer
No oh way oh

There's so much of life I have yet to try
I have yet to try

When I read the news
I cried to my mama
Oh how could this happen?
She said not to fret
But your life is a wreck

Then I ran outside
Live from the sidewalk
Mouthing off to my uncle
He said sit up straight now
And listen to what I'm about to say to you

He said life
Mysterious life
And time
Have the time of your life
And love
Not enough time in life to cry over shitty love
And if love gives you trouble you better start rocking it up

There's so much of life
I have yet to try
I have yet to try
I have yet to try
I have yet to try
I have yet to try
