Summer Walker

Ah, ah  
Ah, ah

I done been down this road before  
When the mountains come one by one  
Got a quarter tank, I'm cutting it close  
The destinations have changed since before  
"Forever young" is just a quote on a T-shirt  
And now I'm wise enough to know

You know my heart drops anytime you're not by me  
And I can't get you off my mind, I'm in love, allegedly  
And I'll give the rest to you if you will let me  
Oh, if you will let me

While we're young and want what we can't afford  
You say the simple things in life come free  
Like it's just gon' show up at the door  
I'm up with you till 3 a.m., and I gotta be at work by 4  
I got halfway through my car, then turned around  
That's how you know

You know my heart drops anytime you're not by me  
And I can't get you off my mind, I'm in love, allegedly  
You know my heart drops anytime you're not by me  
And I can't get you off my mind, I'm in love, allegedly  
And I'll give my rest to you, if you will take me  
And I'm in love, allegedly

Baby, baby, will you take me?  
I'd die for you, allegedly  
Baby, baby, I'd rather be down for life, never set me free  
Baby, baby, you're my all, I can't go at this world alone  
Standing in line, waiting on the phone  
I pray you're there when I make my call  
Whatever it's worth, whatever I have left, boy, you got it  
Whatever it's worth, you'll always have my love, no doubt about it  
Boy, you made me feel that I'm all that ever mattered  
Through the good times and disasters, with you, I'm better  
I done been down this road before  
When the mountains come one by one  
Got a quarter tank, I'm cutting it close
