

Caught me at the right time baby (oh)  
I was at the edge, I was at the end  
Made me feel like there is life worth living  
Made me feel alive oh yeah  
Tell me I'm a sign

Baby where would I be without your love beside me, oh  
Baby where would I be? Probably gone, oh

Cause it feels like CPR  
Cause it feels like CPR

Mm, made me love again like  
Notice I can't stand you, oh  
I don't wanna talk about it  
Cause no one understands me, no  
You're the only one I confide into darling, oh  
I don't even really need to lie to you babe

Place your love on all my pain  
How you mince my heart oh darling  
Everything I've done you knew you known  
I ain't really never had a home  
Damn I really hate feeling alone  
Maybe you can make me feel at home, baby

I hate feeling alone  
I hate feeling alone, baby oh  
I hate feeling alone  
I hate feeling alone, baby

I need you here at home, baby  
You're the only one who knows  
You're the only one who knows

Where would I be, be
